During the phone interview, you will be asked some routine questions (name, address, employer, income, social security number, knowledge based security questions, etc.) along with several questions about your medical history. To complete the phone interview as quickly as possible, please have the following information available:

Personal Information

- Other existing or pending life insurance policies, including company names, coverage amounts, and policy numbers, if available.
- Type of visa, visa number, and expiration date, if you are not a U.S. citizen.
- Payment information for initial or recurring premium payment(s) (checking, savings, or credit card account information), if applicable.

Medical Information

- Name, address, and phone number of your doctor(s) and hospital(s).
- Current treatment you receive by any doctor or hospital; including your medications, dosages, and reasons.
- Reasons for past treatment, with date(s).

After the information has been collected, you will receive an application packet via email that will include the interview and forms. You will be prompted to create a password to log-in once you open the document. Be sure to review the application and complete the necessary forms requiring electronic signatures. Please remember that the application process cannot move forward without the signed application packet. If you have any questions, please contact 888.800.6608, option 2.
